

## PET POLICY

As part of our ongoing commitment to ensuring a harmonious living environment for all residents and their pets, we wish to remind you of the Key West Golf Club (KWGC) Homeowners Association's pet policy. Adherence to these rules is essential for the well-being and safety of our community, including our cherished pets.

### **Pet Policy Overview:**

- **Registration:** All pets must be registered with the KWGC HOA, including a recent photo and proof (written or photo) of a current rabies vaccination. Registration forms are available on our website at [HERE](#).

- **Limitations:** No more than two dogs (including service dogs) per home are allowed, with no breed or size restrictions. Service dogs require additional documentation from a physician.

- **Breeding:** Pets may not be bred for commercial purposes within the association.

- **Behavior:** We will not tolerate excessive barking, aggression, or other offensive behaviors from pets. For recurring problems or concerns about animal welfare, please contact the Florida Keys SPCA at 305-294-4857 and the Management Office.

- **Leash and Clean-Up:** Pets must be on a leash and under control when outdoors. Owners must carry a pooper scooper or plastic bag to immediately pick up after their pets. Dog stations are available for disposal. **For residents who do not walk their dogs, please be respectful of your neighbors and clean up your yards immediately to cut down on odors.**

- **Feeding:** Do not leave pet food outdoors to prevent attracting wildlife.

### **Consequences of Non-Compliance:**

Please be aware that failure to comply with these guidelines may not only result in the withdrawal of approval for your pet by the KWGC HOA but could also lead to **fin**es. These measures are in place to ensure that our community remains a positive and safe environment for everyone. Repeated violations will escalate to the loss of the privilege to have a pet within the community.

We urge all pet owners to adhere strictly to this policy. Your cooperation is vital in maintaining the quality of life in our community. Should you have any questions or need further clarification on the pet policy, feel free to reach out to the management office.

Thank you for your attention and compliance with these important matters.
